Follow thru on reorientation of training program initiated with Class XIII, and to be promulgated in Class XIV (Feb. 1964). Note Memo.

Obtain from WPS, and JCS, clearer definitions of targets, target areas, etc., i.e., revalidate the operation.

- a. to this end, follow thru on "operational activation of team" concept, basic bio data and debriefings and potential internal leads.
Exfiltration!
- b. review teams, compositions, capabilities, needs, etc.
- c. follow thru on effort with ORR and SOD on "target folders" (only preliminarily discussed with Servicer and feasibility accepted.
- d. follow thru on clothing and equipment needs (currently inadequate); all clothing and equipment should be indigenous, ~~XXX~~ with legend, clothing, equipment, documents, all related, as much as possible.
- e. follow thru on documents work
- f. pursue graduate work to include clandestine training throughout the year, not only during call-ups; i.e., comms via radio, observe and report on "target" in Chicago, clandestinely operate with others in his area, etc.
- g. conduct re-field investigations and polys on old agents.
- h. follow thru on case officer concept.
